CATARACT & CLEAR LENSECTOMY SURGERY CHECKLIST

- Schedule your pre-operative exam within **2 weeks** of your surgery date, and **no later than 5 days** before surgery. *Pre-operative exam must be faxed to Omni at least 3 business days before surgery*
- Read, initial and sign your consent forms. *Consent forms should be mailed/faxed to Omni at least 5 days prior to surgery*
- Fill your prescription(s) at least **one week** prior to your surgery.
- Arrange your 1 day post-operative appointment(s) time.
- Arrange transportation to your surgery (**required**), and your post-operative appointments (**recommended**). *Omni will arrange for a driver (free of charge) for **surgery only** if necessary, **but you still need a family member or friend to accompany you***
- Know your financial responsibility for your surgery and be prepared to pay your co pay on the day of surgery.

Do not eat anything (including cough drops and chewing gum) after midnight or 8 hours before surgery!

Clear liquids only (water, Sprite/7-Up, apple/cranberry juice, black coffee or tea) until 3 hours before surgery. No citrus juice or dairy please!

Do not take aspirin or other blood thinning products ___ day(s) before, the day of, or the day after surgery (unless instructed differently by your PCP or cardiologist)!

***Pre-operative exam (complete history and physical, EKG, and any labs must be at Omni Eye Specialists no later than 3 working days prior to surgery to avoid postponement!**

***Most medications can still be taken the morning of surgery. Please verify which medications you should take the morning of surgery with your PCP and with a Madison Street Surgery Center nurse when they call you.**
